Redirection of existing **development aid resources** in response to the coronavirus pandemic: effects on service contracts?

The **EFCA** European External Aid Committee is collecting information on projects that are cancelled.

DG DEVCO response to the **EFCA** and FEACO call for all procedures to be made digital: guidance is being developed to continue to operate under the exceptional conditions created by the COVID-19 pandemic.

Once the guidance has been consolidated, DG DEVCO intends to publish it on its website for external stakeholders (<https://www.efcanet.org/news>).

Board of Directors' **brainstorming** session on further EFCA support to the members and the European industry (14 April 2020).

The second **EFCA corona survey** will ask for lessons learnt in the countries that gradually ease restrictions and open businesses to facilitate more rapid recovery.

Ongoing **focus** of federation and national association actions: strong call for the continuation and new tendering of projects, and for a simplified and shortened procurement process.

OAI (Luxembourg) establishes a Think Tank and invites proposals for action and recommendations to prepare for post-COVID-19

<https://www.oai.lu/fr/24/accueil/actualite-agenda/actualite/0-mode-news-id-2207/?CC=OK>

OAI conducts a monthly survey on the coronavirus and its impacts on the business

<https://www.oai.lu/fr/24/accueil/actualite-agenda/actualite/0-mode-news-id-2249/>

TECNIBERIA (Spain) created a Coronavirus Information page on its website to inform the industry and member firms on what the Association is doing to respond to COVID-19 and to signpost useful sources of information and assistance. (<https://tecniberia.es/coronavirus/>). A daily newsletter, informing about the measures adopted by the Spanish government and measures to alleviate the sector is issued. In addition, **TECNIBERIA** is organizing a series of webinars to address key topics which are considered appropriate and helpful to the Spanish engineering industry (fiscal, labour, remote work, contracts, etc.) <https://tecniberia.es/webinars-celebrados/>

The **EIC** website is presenting information on the impact of COVID-19 on construction <https://www.eic-federation.eu/covid-19-and-global-construction>

EBRD countries: economic reports and national crisis response measures
